

TURNING UNCERTAINTY INTO RESILIENCE

CALL TO ACTION

STRENGTHENING RESILIENCE

FORTIFYING OUR HEALTHCARE SYSTEMS TO WITHSTAND AND ADAPT TO THE VARIOUS SHOCKS AND STRESSES THEY FACE:

RESILIENT HOSPITALS AND SERVICES

WELL-TRAINED HEALTHCARE WORKERS

SYSTEMS PLANNING

GOVERNMENT, HEALTHCARE INSTITUTIONS AND DISASTER MANAGEMENT AGENCIES MUST WORK HAND IN HAND TO DEVELOP COMPREHENSIVE STRATEGIES TO PROTECT THE HEALTH OF OUR COMMUNITIES.

INVESTING IN TECHNOLOGY

EMBRACING TECHNOLOGICAL INNOVATIONS TO UNDERSTAND RISK DATA ANALYTICS AND EARLY WARNING SYSTEMS:

RESILIENT HEALTH SYSTEMS

EFFECTIVE AND SWIFT RESPONSE TO CRISES

ENGAGING COMMUNITIES

ACTIVE INVOLVEMENT FROM LOCAL AND DIVERSE COMMUNITY IN ALL STAGES OF PLANNING

- IDENTIFYING VULNERABILITIES
- FORMULATING CONTINGENCY PLANS
- BUILDING RESILIENCE

KEY-ACTOR: THE ISSUE-BASED COALITION ON BUILDING RESILIENCE

THE IBC ON BUILDING RESILIENCE ENABLES A MORE COORDINATED RESPONSE BY THE UNITED NATIONS AT REGIONAL LEVEL TO SUPPORT COUNTRIES ON CROSS-CUTTING CHALLENGES OF RESILIENCE, CLIMATE CHANGE AND ADAPTATION.

EMPOWERED BY THE SENDAI FRAMEWORK FOR DISASTER RISK REDUCTION 2015-2030 AND BANGKOK PRINCIPLES, THE IBC:

BRINGS DISASTER RISK REDUCTION AND CLIMATE CHANGE ADAPTATION TOGETHER WITH THE 19 UN ENTITIES

PROVIDES TECHNICAL ADVICE AND CAPACITY-BUILDING SUPPORT FOR STAKEHOLDERS

BY WORKING TOGETHER, WE TURN VISIONS INTO ACTION — AND EACH STEP BRINGS US CLOSER TO A MORE RESILIENT WORLD.
